

CommunicationInterface

```
graph BT; TestCommunication --> CommunicationInterface;
```

A UML class diagram illustrating an inheritance relationship. At the top is a white rectangular box with a thin black border containing the text "CommunicationInterface". Below it is a gray rectangular box with a thin black border containing the text "TestCommunication". A dark red arrow points vertically from the top center of the "TestCommunication" box to the bottom center of the "CommunicationInterface" box, indicating that "TestCommunication" inherits from or implements "CommunicationInterface".
